the revised and expanded edition of *Working Stiffs: Union Maids, Reds and Riffraff* offers 350 titles compared to the original edition's 150. The new book is global in scope with examples of labor films from around the world. Viewers can turn to this comprehensive annotated guide for films about unions or labor organizations, labor history, working class life where an economic factor is significant, political movements if they are tied closely to organized labor, production or the struggle between labor and capital from a top down, either entrepreneurial or managerial perspective. Each entry includes a critical commentary, production data, cast list, MPAA rating if any, suggested related films, annotated references to books and websites for further reading and information about availability of films for rental and/or purchase. This edition addresses both historical and contemporary films and features many more documentaries and hard to find information about agitprop and union financed films. *Working Stiffs: Union Maids, Reds and Riffraff* an expanded guide to films about labor features fifty-eight production stills and frame enlargements. It also includes a greatly expanded thematic index of films. Two new sections will help the reader discover labor films in chronological order or by nationality or affiliation with certain cinematic movements. To read Tom Zaniello's blog on the cinema of labor and globalization featuring even more reviews visit tzaniello.wordpress.com. Praise for the earlier edition: Zaniello has created a useful and far reaching guide with abundant information. These are the sorts of films that prove what James Agee wrote in these pages nearly fifty years ago: the only movies whose temper could possibly be described as heroic or tragic or both have been made by leftists. The nation Zaniello has done a monumental job identifying the films that should be included in this genre. *Working Stiffs: Union Maids, Reds and Riffraff* is sorely needed and long overdue. Cineaste, an engaging and opinionated book even though mining, trucking, Jimmy Hoffa and class warfare are the book's major themes. What holds the project together is Zaniello's sense of fun and wit. Zaniello is a better writer than most major film critics. Village Voice Literary Supplement

this book outlines and analyses the legislative activity of the union in terms of internet and electronic commerce law

Mobil Travel Guide: NASCAR Travel Planner brings Mobil Travel Guide's 47 years of on the road experience to the NASCAR fan. *Mobil Travel Guide: NASCAR Travel Planner* is the fan's companion to the areas surrounding NASCAR sanctioned tracks.
